

Dear Brick Family,

Yesterday the Day School Committee, the governing board of the Brick Church School, met to discuss the state of the city and our nation and the plan for re-opening Brick to our community of children and families. We were all in agreement that it is important to proceed carefully and under the guidance of experts. We will, therefore, be closed through April 29th, as is mandated by the executive order put in place by NY State.

As we recognize this ever-evolving and at times contentious guidance between city and state, we will continue to follow the guidelines while planning for all contingencies.. To help us with that planning we have a brief survey for you. Please take 3 minutes out of your very busy schedules to complete the following survey at your earliest convenience; SURVEY: **Preparing for all options at Brick.**

If you prefer, you may reach out to me directly at awarden@brickchurch.org. Thank you so much for your feedback – your voice is essential to our planning process. I will send out an additional correspondence regarding our last survey results under separate cover.

Thank you so much.
With care,
Amy
