

PARENT VOLUNTEER OPPORTUNITIES

Class Representatives

Class Representatives serve as a liaison between the classroom teacher, the parents/guardians of the class, and the school administration. Class Representatives also help to foster community within their classrooms by organizing ways to connect such as play dates, coffees/cocktails, or other family get-togethers appropriate to the class.

Library Committee

Brick's Library is a tremendous resource for our children, and it is entirely parent-run. Volunteers oversee the Library collection and overall functions, and they help to find ways to foster a love of learning in our children.

Sunshine Committee

The Sunshine Committee helps spread sunshine to members of the Brick community. Volunteers help recognize and celebrate happy occasions (e.g. new siblings) for members of our community or express sympathy to families going through challenging times.

Yearbook Committee

The Yearbook Committee puts together Brick's annual yearbook. Volunteer opportunities include photography, designing page layouts, and collecting tribute ads.

Auction Committee

The Auction Committee works on all aspects of our biennial spring auction. There is room for all to get involved!

School Store

Parents on this committee help merchandise and sell items in Brick's School Store.
